

THE GREAT VALLEJO RACE
MAY 3 and 4 2008
SAILING INSTRUCTIONS *Revised 5/1/2008*

Vallejo Yacht Club
PO Box 311
Vallejo, California 94590

YRA of SF Bay
Quarters 35 S, Fort Mason
San Francisco, CA 94123

- 1.0 RULES:** The races will be governed by the rules as defined by *The Racing Rules of Sailing* and the YRA *Standing Sailing Instructions*, except as any of these are changed by these sailing instructions. *The J 105 Class will be sailing under the J 105 Fleet #1 class rules.
- 2.0 ENTRIES:** The regatta is open to all qualified yacht owners who are sailing members of YRA, or have paid a one-time entry fee for this YRA event, and whose division or class is listed in the starting sequence.
- 3.0 SATURDAY START:** Between an orange inflatable buoy and an orange flag on the race committee boat. The starting line shall be located downwind of R4. The race committee shall communicate either a port or starboard rounding of R4 by the use of either a red or green pennant during the starting sequence. **The first warning is at 11:00 am. See Attachment 1.**
- 3.1 SATURDAY FINISH:** Between the temporary orange buoy near the middle of the Mare Island Channel and an orange flag on the Race Committee Platform on the bulkhead of the East side of the channel, approximately 450 yards South of the Vallejo Yacht Club.
- 3.2 SATURDAY COURSE AND MARKS:** Start, YRA 8(R4, East of Point Blunt) direction of rounding shall be indicated as described in Section 3.0, Castro Rock buoy-S "CR"-East, Point San Pablo buoy R "2"-S, Point Pinole day mark "P"-S, Mare Island Channel Entrance Light #1-P, (The Mare Island Channel Entrance Light #1-P is a floating green buoy and shall be left for Port), Finish.
- 3.3 SATURDAY TIME LIMIT:** All yachts not finishing by 2000 hours shall be scored DNF. This changes RRS 35.
- 4.0 SUNDAY START:** Between the temporary orange buoy near the middle of the Mare Island Channel and an orange flag on the Race Committee Platform on the bulkhead of the East side of the channel, approximately 450 yards south of the Vallejo Yacht Club. **The first warning is at 12:00 pm. See Attachment 2.**
- 4.1 SUNDAY FINISH:** Between a temporary orange mark and an orange flag on the Committee Boat located approximately 0.3 NM South of Channel Mark #17 off the San Rafael Channel. A limiting buoy, which may not be on the finish line, may be set to limit the Committee Boat end of the line.
- 4.2 SUNDAY COURSE AND MARKS:** Start, Mare Island Channel Entrance light #1-S, Point Pinole daymark "P"-P, Point San Pablo buoy R"2"-East, Finish.
- 4.3 SUNDAY TIME LIMIT:** All yachts not finishing by 2000 hours shall be scored DNF. This changes RRS 35.
- 5.0 COMMUNICATIONS:** The Race Committee will attempt to hail boats for OCS and other pertinent information on VHF Channel 63. The inability of a competitor to hear a hail for OCS or any other information shall not relieve her of her responsibility, nor shall it be grounds for redress. This changes RRS 25 and 63.1. **CHECK IN IS NOT REQUIRED.** Boats are also encouraged to monitor VHF Channel 14 for updates on large vessel traffic.

6.0 RESTRICTED AREAS, HAZARDS, ETC:

6.1 THE PINOLE SHOAL CHANNEL, bounded by markers #8, #10, #12 and #14 on the South and markers #7, #9, #11, #13 and #15 on the North (see USGC Chart #18654), shall be left to the north by all participating yachts and will rank as an obstruction. No part of a boat shall cross an imaginary line between any of the markers listed in this paragraph. The onus is on the protesting party. Members of the Race Committee may be stationed in the area to ensure compliance with this rule. Violations of this rule observed by the Race Committee and reported to the Protest Committee shall be considered factual. Section 6.1 defines the bounded area of the Pinole Shoal Channel. Any boat that crosses this boundary or leaves it to the South is in violation of this rule. This area **MUST** be kept clear for the safety of both vessel traffic and competitors.

6.2 VALLEJO START/FINISH LIMITING BUOY: The Eastern End of the Mare Island Channel start/finish line has insufficient depth for navigability at low tides. Therefore a temporary Committee Platform limiting buoy will be placed approximately 50 yards West of the Race Committee Platform located on the bulkhead of the east side of the channel, approximately 450 yards South of the Vallejo Yacht Club. This buoy may not be located exactly on the Start/Finish line. It must be left to the East.

6.3 Any physical contact with the Committee Boat **SHALL NOT** be exonerated. This changes RRS 31.2.

7.0 DISTANCE: The calculated distance is 21.5.0 NM on Saturday and 14.5 NM on Sunday. **The Race Committee reminds participants it is their responsibility to note their finish times, other boats finishing near them and the order of finish to assist in the event of omission or error in recording.**

8.0 PROTESTS: YRA 16.1 is amended to allow that protests be postmarked on or before Tuesday, May 6, 2008. Protests shall be written on US Sailing Protest forms and mailed in accordance with the YRA Standing Sailing Instructions. All concerned parties will be notified by mail. The skipper's or his/her representative's mailing address and telephone numbers **MUST** be on every protest form at the time of its filing. Hearings will be held at the Vallejo Yacht Club beginning at 7:30 pm on the third Monday of May 2008. If it is impractical to hear all protests at this time, a second date will be set no later than the following Thursday.

10.2 RACE FINISH SCORING DISCREPANCIES: Race discrepancy forms are included with these sailing instructions. They will also be available at the clubhouse after the Saturday race and may be filed at that time. They may also be faxed to the YRA office at 415-276-2378 or mailed to: YRA, Quarters 35S Fort Mason, San Francisco 94123 for either the Saturday or Sunday race. Use of these forms is not mandatory as long as all pertinent information is included in your explanation of the discrepancy. Skippers are encouraged to contact the YRA office directly through e-mail at info@YRA.org. All discrepancy forms must be submitted prior to Tuesday May 6, 2008.
