- 6.0 RESTRICTED AREAS, HAZARDS, ETC:**
- 6.1 RICHMOND LONG WHARF, the Richmond Wharf is restricted by a line connecting the three buoys G "3" FI G 4s (1/3 nm south of Richmond Long Wharf), R "2" Q R (1/2 nm west of Richmond Long Wharf) and R "2CR" FI R 4s (Castro Rock buoy) – to East. No part of a boat shall cross the imaginary line between these buoys.**
- 6.2 THE PINOLE SHOAL CHANNEL,** bounded by markers #8, #10, #12 and #14 on the South and markers #7, #9, #11, #13 and #15 on the North (see USGC Chart #18654), shall be left to the north by all participating yachts and will rank as an obstruction. No part of a boat shall cross an imaginary line between any of the markers listed in this paragraph. The onus is on the protesting party. Members of the Race Committee may be stationed in the area to ensure compliance with this rule. Violations of this rule observed by the Race Committee and reported to the Protest Committee shall be considered factual. Section 6.2 defines the bounded area of the Pinole Shoal Channel. Any boat that crosses this boundary or leaves it to the South is in violation of this rule. This area **MUST** be kept clear for the safety of both vessel traffic and competitors.
- 6.3 VALLEJO START/FINISH LIMITING BUOY:** The Eastern End of the Mare Island Channel start/finish line has insufficient depth for navigability at low tides. Therefore a temporary Committee Platform limiting buoy will be placed approximately 50 yards West of the Race Committee Platform located on the bulkhead of the east side of the channel, approximately 450 yards South of the Vallejo Yacht Club. This buoy may not be located exactly on the Start/Finish line. It must be left to the East.
- 6.4** Any physical contact with the Committee Boat **SHALL NOT** be exonerated. This changes RRS 31.2.
- 7.0 DISTANCE:** The calculated distance is 21.5.0 NM on Saturday and 14.5 NM on Sunday. **The Race Committee reminds participants it is their responsibility to note their finish times, other boats finishing near them and the order of finish to assist in the event of omission or error in recording.**
- 8.0 PROTESTS:** YRA 16.1 is amended to allow that protests be postmarked on or before Tuesday, May 5, 2009. Protests shall be written on US Sailing Protest forms and mailed in accordance with the YRA Standing Sailing Instructions. All concerned parties will be notified by mail. The skipper's or his/her representative's mailing address and telephone numbers **MUST** be on every protest form at the time of its filing. Hearings will be held at the Vallejo Yacht Club beginning at 7:30 pm on the third Monday of May 2009. If it is impractical to hear all protests at this time, a second date will be set no later than the following Thursday.

The organizer (organizing authority, race committee, protest committee, host club, sponsors, or any other organization or official) will not be responsible for damage to any boat or other property or the injury to any competitor, including death, sustained as a result of participation in this event.
